Tinley Park

Tinley Park is a village located primarily in Cook County, Illinois. It is one of the fastest growing suburbs south of Chicago. In 2009, BusinessWeek selected Tinley Park as the best place to raise a family in America. Tinley Park from the late 20th century to the present has been focused on renovation of its historic downtown district. This includes the creation of a park near the Metra station at Oak Park Avenue., as well as the South Street project, a multi-million dollar project with 200 apartments and 40,000 SF of commercial retail space. Tinley Park is home to the outdoor music venue - Hollywood Casino Amphitheater.
