North Park

North Park is one of the 77 well-defined community areas of the City of Chicago. It is bordered by the North Shore Channel on the east, the Chicago River's North Branch and Foster Avenue on the south, Cicero Avenue on the west and Devon Avenue on the north. North Park is part of the 60625 and 60659 zip codes. North Park received its name from the North Park University that built the Old Main building in 1894 along Foster Avenue west of Kedzie, on the north side of the river. Further north is the campus of Northeastern Illinois University which opened in 1961. Chicago's PBS station, WTTW, is headquartered in this neighborhood in the Chicago Production Center.
