Lincoln Park

Lincoln Park is bordered on the north by Diversey Pkwy., on the west by the Chicago River, on the south by North Ave., and on the east by Lake Michigan. One of the city's most historically significant neighborhoods is also one of its most popular among both tourists and residents. Attractions like the Lincoln Park Zoo, Chicago History Museum, Peggy Notebaert Nature Museum and Lincoln Park Conservatory draw crowds year-round, while other hidden treasures, like the spectacular Alfred Caldwell Lily Pool, are around the corner. Magnificent mansions, swank boutiques and renowned restaurants complete the rich tapestry that is Lincoln Park.
