

INTERIOR DESCRIPTION

This venue is a big and cozy (13,500 s.f.) brewery. You can catch live bands with all of your friends, host a fundraiser, arrange for tasting parties or have a few with old friends. Nevins’s Brewing Company is an award winning brewery conveniently located in Wheaton/Naperville/Plainfield/Aurora area

The venue features a wide open floorplan with 25 foot ceilings, ample seating arrangements for up to nearly 500, and live band staging. No matter where you sit, you can easily view your favorite team on one of the 20 HD TVs on the dark wood and stone walls.

Always a fan favorite, the completely visible state-of-the-art brewhouse system that produces the Midnight Pig beer lineup. Guests are enamored by the large but intricate system. This combination Brewery & Pub provides inhouse retail space where guests can purchase all varieties of the Midnight Pig at the end of a visit or by walkin.

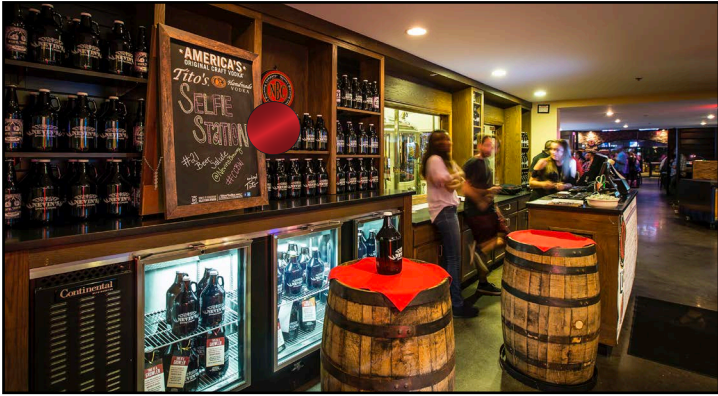

The entrance is a brick and stones facade which leads to the polished concrete, easily maintained floors. Pub’s signature wooden beer barrels are seen throughout the space.
