Neighborhood Description	Rogers Park is located nine miles north of downtown Chicago. It is bounded by the city of Evanston along Juneway Terrace and Howard Street to the north, Ridge Boulevard to the west, Devon Avenue and the Edgewater neighborhood to the south, and Lake Michigan to the east. The presence of its diverse array of students and academics from Loyola University Chicago and Northwestern University, just a few miles to the north, has historically lent Rogers Park a high degree of liberalism and tolerance. Rogers Park has over 130 restaurants and has been ranked "very walk-able" by Walkscore.com.
