Location: Western Suburb

Rich in history, the Village offers the modern conveniences of an urban community while preserving much of the authenticity of the character originally envisioned by its founding father, F. D. Cossitt, back in 1879. The village retains a strong sense of community, with historic homes, traditional downtown business districts, schools, parks, and public transportation, all of which contribute to the community's character, quality of life and economic vibrancy.

Property Description

Long running business with real estate for sale. Based in an affluent western suburban village, this business is a purveyor of the finest natural and man-made materials. With 30 years of experience, rich resources, an on-site inventory, a highly trained team, and the most state-of-the-art cutting equipment, they are prepared to deliver on their promise of making every countertop a masterpiece. The business services the Greater Chicago Area as well as the rest of the country.

Purchase Price: \$4,500,000 (Business/Real Estate Sale)

Size: 1,600 & 6,200 SF (Bldg), .62 Acres (Lot)

Property Taxes: \$30,692 (2021)
