**Location:** West Town/Ukrainian Village

Over the past century, West Town has seen waves of immigrants from all over the world. These global influences have shaped the neighborhood into the funky, creative enclave it is today. This is where you can find an Old-World pierogi joint, a botanical-inspired brewery, and a contemporary omakase spot — all on the same street. If you're spending a day in West Town, Chicago Ave. is a good spot to start exploring. Many of the area's diverse restaurants and bars are clustered around this area, like Chicago's first botanic brewery, German-Southern fusion in a beer hall, a Michelin-starred Portuguese tasting menu, a BYOB Creole spot, and a Filipino bakery with lines out the door. West Town encompasses the historic Ukrainian Village, which brings the Eastern European heritage to the area.
