## Location: Hillside

The Village of Hillside is a vibrant suburb of Chicago, located 15 miles west of Chicago's Loop. The easily accessible highways advantageously place the Loop, Wisconsin, and Indiana within 35 minutes of Hillside. The Village is conveniently located approximately three miles east of the CTA Blue Line (L) in Forest Park, where a commuter station and parking facility accommodates accessibility to Chicago's Loop. Downtown Chicago workers may also drive south to the BSNF rail station in downtown La Grange or Western Springs, or north to access the Union Pacific West rail line in Berkely or Bellwood. Many who live in Old Irving Park will tell you they feel like they have the best of both worlds—the conveniences of the city combined with the charm of the suburbs.
