Business Description

Three retail storefront pizza shops for sale individually or as a portfolio to include the intellectual rights. The locations in Evanston, Hinsdale and Glencoe are in premier locations near major commuter hubs. The shops primarily feature take-and-bake pizzas. There is potential to grow sales by expanding the menu to include seasonal concepts such as ice cream. The current operation does not require major ventilation which allows for optimal expansion opportunity. This downtown Glencoe space has two Type-2 exhaust hoods and a larger "commissary" prep room with dough mixers, pizza ovens, and a large walk-in cooler.

Glencoe is part of Chicago's North Shore and is located within the New Trier High School District. Glencoe has the eighth highest income per household among municipalities in the U.S. with greater than 2,000 homes. With abundant parks, convenient beach facilities and one of the most attractive business districts along the North Shore, Glencoe is a great place to visit.
