Location: Old Town

Old Town is home to comedy star-maker The Second City. You can catch a live show every night of the week, featuring the city's top up-and-coming talent. But Second City isn't the only reason to explore here. This historic neighborhood is a picture-perfect place to shop on-trend boutiques, dine at historic restaurants, and admire homes in one of Chicago's most luxurious residential districts. Wells Street is the main drag where you'll find tons of buzzing spots to eat and drink — it's a popular spot for bar hopping with the younger crowd. In June, the Old Town Art Fair brings nationally acclaimed artists together to showcase their work, drawing a crowd of 30,000 art lovers
